

GTC Towers is seeking a Chief Financial Officer for its new and growing company. The CFO will have overall responsibility for the company's financial operations.

Responsibilities include:

Building an internal finance team from the ground up

Decision-making on the company's accounting software

Monthly financial reporting to the company's debt and equity sponsors, and Board of Directors

Developing and managing annual operating and capital budgets

Holding monthly reviews of financial results and variances for the management team

Overseeing and managing the financial results of the company's Joint Venture partners

Analyzing and reporting on all acquisition opportunities

Driving financial strategies to optimize revenue, reduce costs, and improve financial performance

Overseeing compliance with financial regulations, reporting requirements

Qualifications of the ideal candidate:

Bachelor's Degree in Accounting or Finance, and knowledge of generally accepted accounting principles, CPA or Master's Degree preferred

Minimum of 3 years of experience working at a senior level accounting/finance position in wireless infrastructure

Please submit CV's to hr@gtctowers.com
